RE: New List Price Sheets
Effective Date February 18, 2016

As a result of continued operating increases and currency issues, CapProduct Ltd. is announcing new list price sheets for conduit accessories, effective for all shipments beyond February 17th. The continued weakening currency, has forced us to rescind our previously announced 5% list price sheet increase. The new list price sheet, C216, reflect an average weighted increase of 9%. List price sheet C216 supersedes list price sheet C715.

CapProducts reserves the right to limit customers orders, based on historical sales data. Please advise the CapProducts sales department if this decision requires any changes to your previously placed orders.

The CapProducts price list may be printed from our web site; www.caproducts.com after February 1st.

On behalf of CapProducts employees, thank you for your continued support and valued business.

Sincerely,

Mark McIntosh
Vice President
