June 9, 2004

To all our valued customers.

As a result of the continuing increases in the steel industry we find it necessary to announce new price sheets effective June 28, 2004 as follows.

### **METAL INSERT ADAPTERS**

Price Sheet CADPT-704 replaces CADPT-604.  
This represents an average 25% increase.

### **STANDARD PRESSURE FITTINGS**

Price Sheet CADPT-704 replaces CADPT-604.  
This represents an average 25% increase.

### **MERCHANT COUPLINGS**

Price Sheet CJ-704 replaces CJ-604.  
This represents an average 39% increase.

With the continuing uncertainty of steel availability, CapProducts reserves the right to limit order amounts as necessary.

These new price sheets will shortly be posted on our website at [www.capproducts.com](http://www.capproducts.com) and can be downloaded and printed from this location.

On behalf of all the employees of CapProducts and The Phoenix Forge Group we thank you for your continued support and the opportunities that lie ahead.
