Subject: Conduit Accessories Increase – Effective October 13th

As a result of continued raw material and operating cost increases, CapProducts Ltd. is announcing a 10% increase on conduit accessories. CapProducts will replace the practice of printing a new list price sheet with a 10% discount multiplier increase to existing price levels.

CapProducts reserves the right to limit customers' orders, based on historical sales data. **Backorders will be priced at the time of shipment.** Please advise the CapProducts sales department if this decision requires any changes to your previously placed orders.

CapProducts representatives will be sending updated pricing programs in the coming days.

On behalf of all of us at CapProducts, Ltd. and The Phoenix Forge Group we thank you for your continued support and valued business.

Sincerely,

Mark McIntosh
